PREVIEW OF KOREAN PROFESSOR

Greetings

In 1st International Fashion Symposium of the Korean Society for Clothing Industry in Daegu, I was most impressed to see that the great progress recently made in the fashion industry in Korea by rising level of academic research.

I wanted to thank the member professors of this organization for a truly lovely stay in Korea. I very was honoured to participate in the 1st Fashion Symposium in Daegu.

As the world concerns for the fashion industry in the 21st century, this exhibition, Preview of Korean Professor is very meaningful event. The major objective of this exhibition is to sum up the regional experiences accumulated during the decade and share them with participants from Asian and Europe countries/areas as well as from other regions of the world.

I am privileged and honored to invite the member professors of this organization to be held on campus of Polimoda here in Italy, from the 1st to the 3rd of July, 2003.

With your active participation, I am sure that we will make this exhibition, Preview of Korean Professor" a really meaningful and fruitful one.
